Open Enrollment Has Ended

Can I still make changes?

The Open Enrollment Period ended on December 7, 2009 and all requests for changes are being processed. The next Open Enrollment will be in November 2010 with implementation of changes effective January 2011. Please **remember**: The only other time during the year that you may make changes to your coverage would be due to certain, limited life events (i.e. marriage, divorce, birth, other insurance coverage, etc.)

If want to make a coverage change and are unsure if you have had a life's event, please contact our office at (305) 292-4579 or x4579.
